01 COMPANY OVERVIEW

Félix Silvestrini Real Estate provides on-island market intelligence, property opportunity identification, and workforce housing coordination for investors, developers, and infrastructure stakeholders operating in Puerto Rico.

Our strength is deep local market knowledge and an active network of agents, landlords, and operators across the island — enabling fast, reliable execution at the scale projects require.

Connecting projects, people, and property across Puerto Rico.

04 DIFFERENTIATORS

03 RELEVANT EXPERIENCE

Dial Solar Puerto Rico LLC

2025 — 2026 · ACTIVE

RENEWABLE ENERGY · UTILITY-
SCALE SOLAR CONSTRUCTION

Solar EPC contractor deploying construction crews across Puerto Rico's southern region. Engaged Félix Silvestrini Real Estate to source, secure, and coordinate residential housing for rotating field personnel — at scale, across multiple municipalities, on project timelines.

COVERAGE: Arroyo · Patillas · Guayama · Salinas · Santa Isabel

ENGAGEMENT MODEL

- Sourced inventory through direct landlord relationships and co-broker network
- Negotiated lease terms aligned to crew rotation and project milestones
- Coordinated multi-municipality logistics across PR's southern corridor
- Acted as single point of contact for ongoing tenancy management
